Fast Operation

Qualcomm Snapdragon 4490 high performance CPU
A new generation of AI computing platform
Android 13

Fast Running Speed

5G performance is 10% higher than similar devices under weak signal conditions
Nearly 10 times faster than 4G download speed
Wi-Fi 6E and 2*2 MIMO
3 times faster than the previous generation terminal

Fast Scanning

Reading speed is as fast as
3 times per second
Support fast moving
code scanning up to 1.5m/s

Big Battery

5000mAh large capacity battery
Hot-swap battery, easy to switch

Fast Unlock

Side fingerprint function（optional）
Screen activation and unlock done in one step
Seconds into the app

# SEUIC 5G Beyond Fast, Comprehensive Efficiency Improvement

Perfectly balanced body

Keep thin and light with a 6.0"screen, detachable
high capacity battery and dual high protection.
Achieve a perfect balance of visibility, grip and protection.
The good experience makes it the best choice to improve work efficiency

Excellent screen

6.0"full screen, data in one view. High resolution+Incell craft with more realistic pictures and better visual experience. Visible under sunlight and strong light.
Automatically adjustable to fulfill work indoors and outdoors.
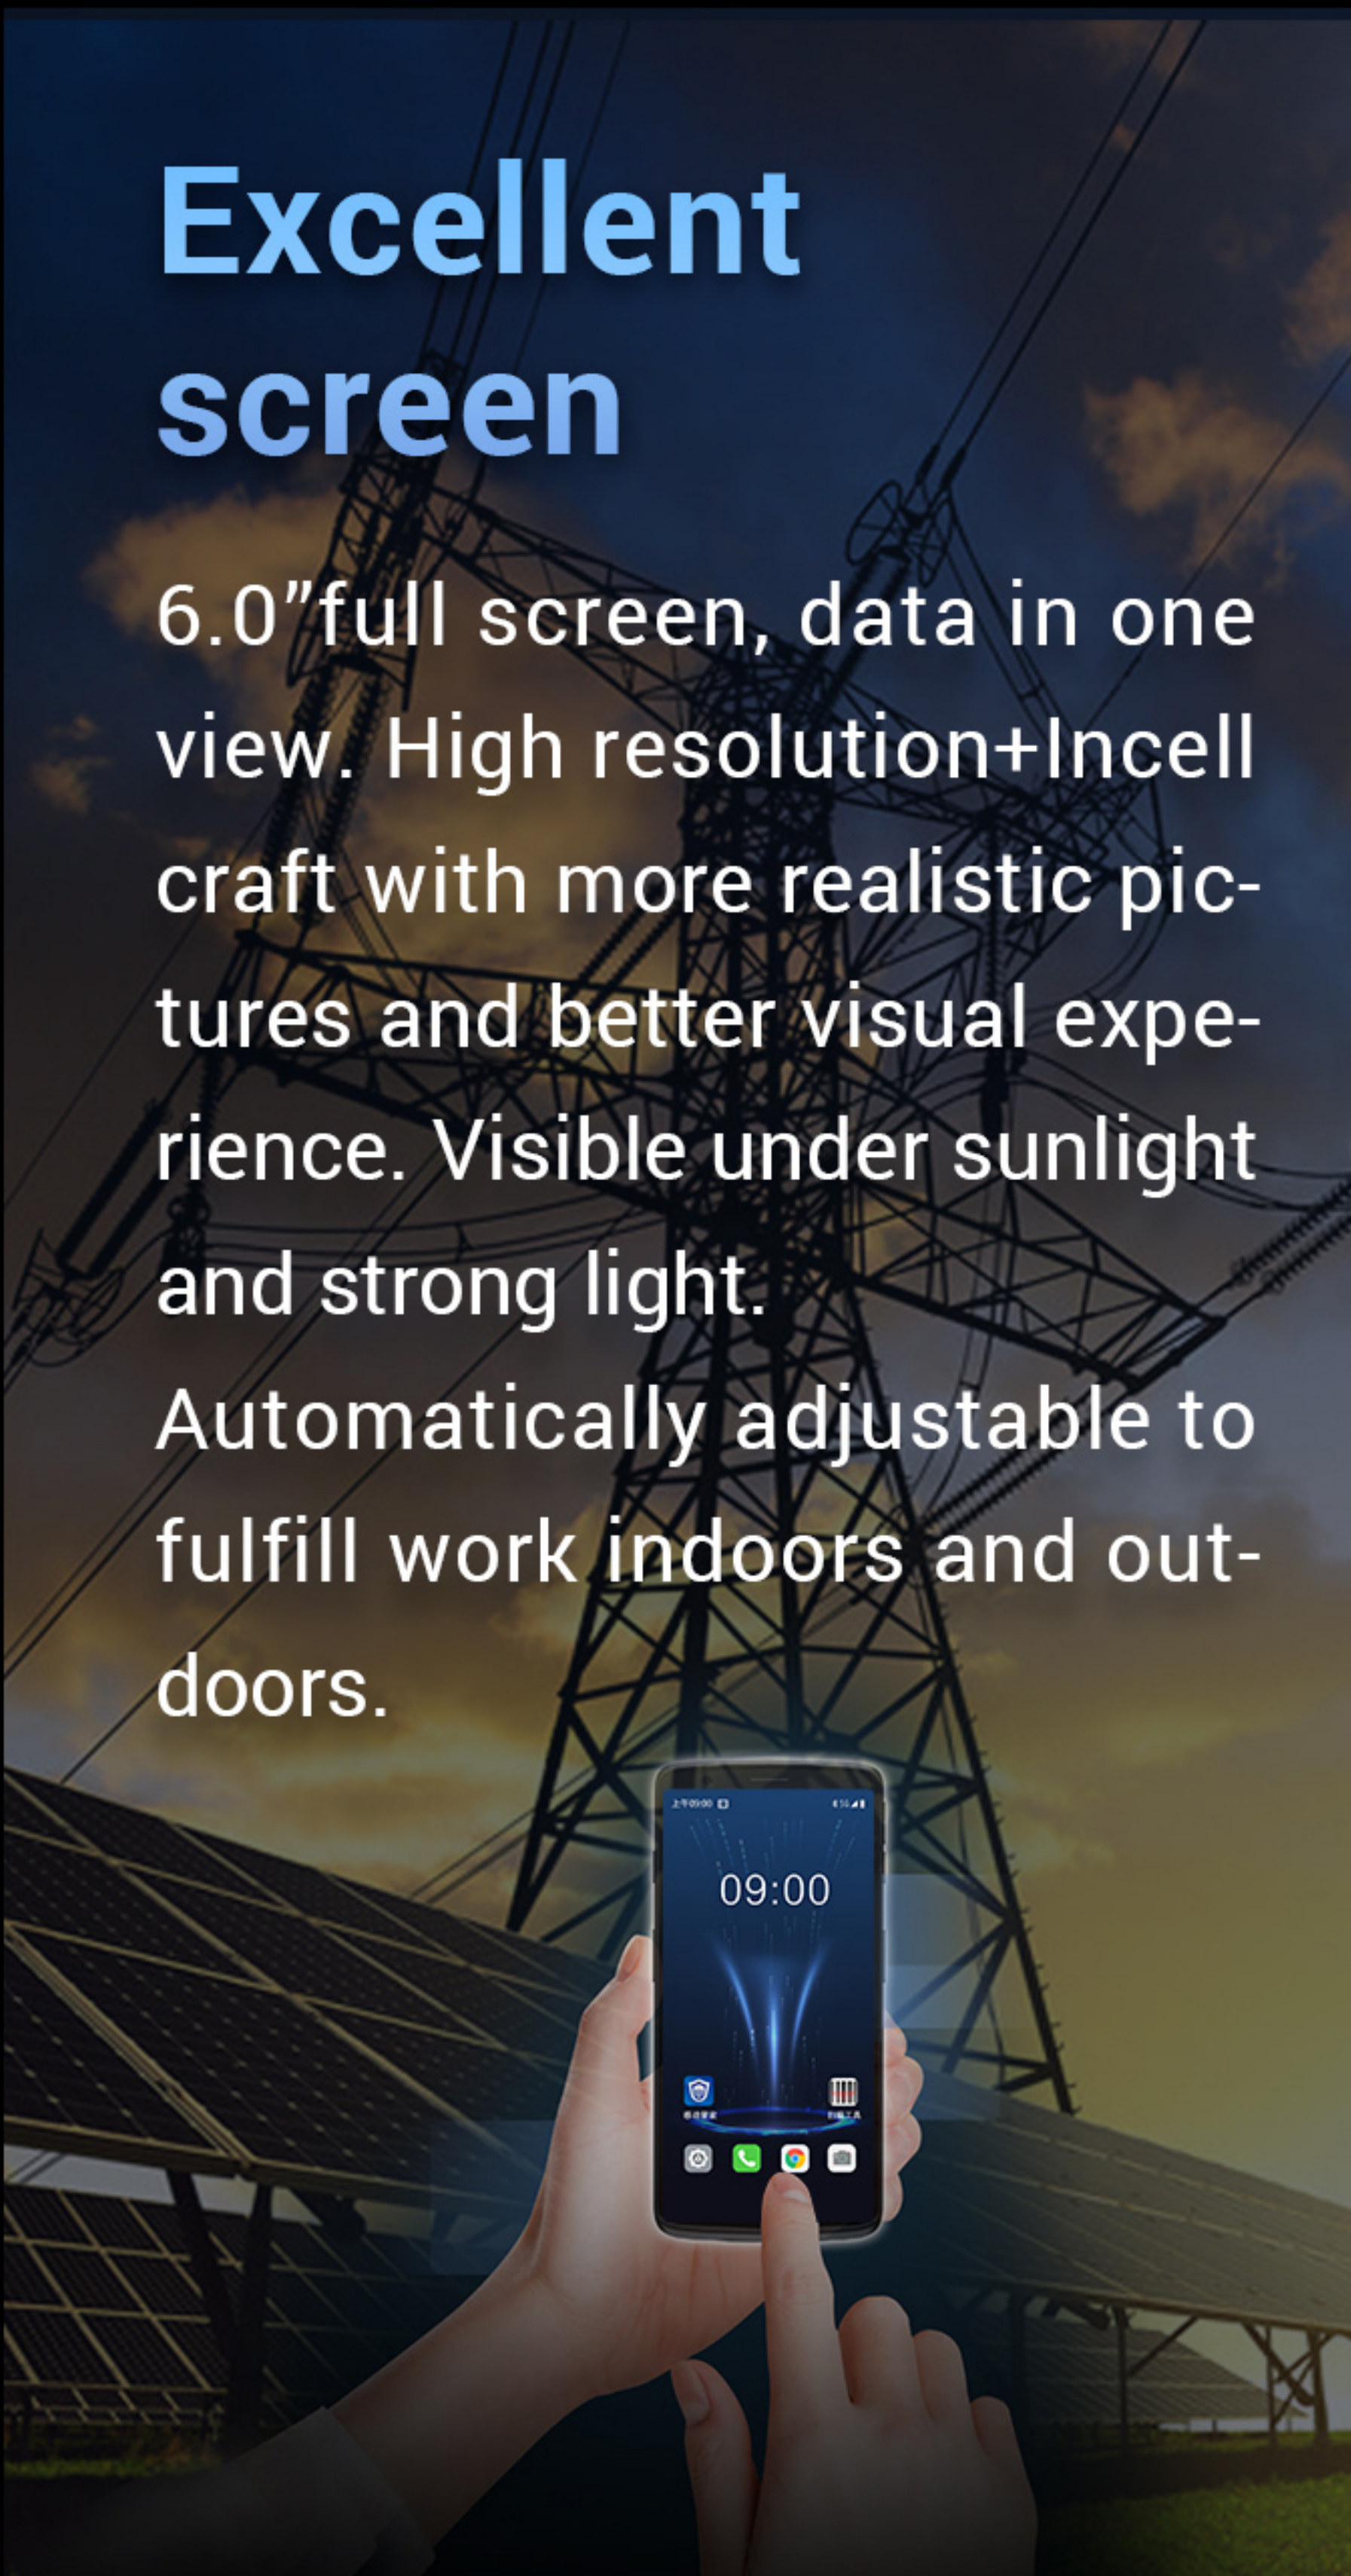

Precise positioning

Dual-frequency GPS, the accuracy in dense building environment is improved by 1-2m,
which helps path planning, navigation and other scenarios.

Bright and transparent sound

Large volume, smart power amplifier. Prompts can also be clearly heard in noisy environment.

Better sound quality, comfortable listening experience.

Steady protection

IP68 protection with or without battery.
60+ reliability tests (1.5m drop test, high-low

temperature test etc.) Meet the demands of harsh environments.

Application
